Tournament Location

River Run Country Club
19125 River Falls Drive
Davidson, NC 28036

The Course at River Run

The 7,300-yard challenging course features Bermuda fairways and Champions Ultra Dwarf greens year-round. The impressive layout brings out the best of the rolling North Carolina terrain, with waterfalls, lake inlets and beautiful hardwoods. It has been the site of some of the biggest tournaments in the Southeast such as the Web.com, Chiquita Classic and LPGA, Symetra Tournament.

Your Investment Makes An Impact

\$2.8 Million Raised

7 Studies Funded

ABOUT THE PAULA TAKACS FOUNDATION

In 2010, Paula and Geoffrey Takacs of Charlotte, NC founded the Paula Takacs Foundation for Sarcoma Research to privately fund novel research for sarcoma for both adults and children. To date the foundation has raised approximately \$2.8 million and drives substantial impact in the sarcoma space locally and beyond.

In 2021 the Lauren Marie Kimsey Foundation for Synovial Sarcoma of Davidson, NC suspended its operations and their passionate volunteers, donors and sponsors joined forces with the Paula Takacs Foundation for Sarcoma Research. We are proud to unify with this powerful tribe of supporters as the new host of Golf Fore Sarcoma in honor of Lauren Kimsey.

OUR BENEFICIARIES

The Paula Takacs Foundation annually donates funds to support research at Atrium Health's Levine Cancer Institute and Levine Children's Hospital in Charlotte, North Carolina.

Your support of Golf Fore Sarcoma will directly impact the sarcoma research program at Levine Cancer Institute and Levine Children's Hospital, including a new osteosarcoma clinical trial for ages 5 and up.
